ARCHIVES
 The Ocean Beach Historical Society Archives was founded to preserve the history of Ocean Beach and the peninsula. The Archives Room is housed in space rented from the PLUM Church in O.B., where the OBHS programs are held. The collection includes: Photos, maps, books, papers, newspapers, letters & artifacts. Also, there is an extensive biography index and San Diego City Directories from 1926 to 1984 which list people, their spouses & occupations. Residents are also listed by street address. Dedicated volunteers assist with the processing.

DONATIONS TO THE ARCHIVES ARE ALWAYS WELCOME.

 A MEETING OR PICKUP:

Many people believe that their lives are of no interest to others, but they are! Unfortunately, photographs, house plans, business & organization records, and family papers end up in the trash after a death in the family. Photographs, especially, depict people, their activities & customs, homes & buildings, and dress. Some OB buildings vanish or functions change almost overnight and new ones appear. The cliffs erode and scenery changes. The OBHS Archives provide an invaluable window into OB's past.

PLEASE when donating photographs to the Archives, remember to date and identify the people and places in them.
 Reluctant to give up your photos or papers? The Archive's staff would be happy to copy and safely return items to you with your permission to use the materials.

Preservation work often needs support & supplies.
GIFTS MAY BE DONATED AT MONTHLY MEETINGS
 It's important to preserve our history and maintain the archives.
